Nancy Sinatra - These Boots Are Made for Walking

You keep saying you got something for me
Something you call love but confess
You've been a 'messin' where you shouldn't 've been a 'messin'

And now someone else is getting all your best
These boots are made for walking
And that's just what they'll do
One of these days these boots are gonna walk all over you

Moody Blues / Forever Autumn

The summer sun is fading
As the year grows old
And darker days are drawing near

The winter winds will be much colder
Now you're not here
I watch the birds fly south across the autumn sky
And one by one they disappear
I wish that I was flying with them
Now you're not here
Like the sun through the trees you came to love me
Like a leaf on a breeze you blew away
Through autumns golden gown
We used to kick our way
You always loved this time of year
Those fallen leaves lay undisturbed now
'Cause you're not here...

“A Hazy Shade of Winter” By Simon and Garfunkel

Time, time time, see what's become
of me
While I looked around for my
possibilities
I was so hard to please
Don't look around
The leaves are brown
And the sky is a hazy shade of winter
Hear the Salvation Army band
Down by the riverside's, there's bound to be a better ride
Than what you've got planned
Carry your cup in your hand
And look around

Leaves are brown, now
And the sky is a hazy shade of winter
Hang on to your hopes, my friend
That's an easy thing to say
But if your hopes should pass away
Simply pretend that you can build them again
Look around
The grass is high
The fields are ripe
It's the springtime of my life
Seasons change with the scenery...

“Perfect” by Ed Shereen

I found a love for me
Darling just dive right in
And follow my lead

Well I found a girl beautiful and sweet
I never knew you were the someone waiting for me
'Cause we were just kids when we fell in love
Not knowing what it was
I will not give you up this time
But darling, just kiss me slow, your heart is all I own
And in your eyes you're holding mine
Baby, I'm dancing in the dark with you between my arms
Barefoot on the grass, listening to our favorite song
When you said you looked a mess, I whispered underneath my breath

"Havana" by Camila Cabello

Hey
Havana, ooh na-na (ay)
Half of my heart is in Havana,
ooh-na-na
He took me back to East Atlanta, na-na-na
Oh, but my heart is in Havana (ay)
There's somethin' 'bout his manners (uh huh)
Havana, ooh na-na (uh)
He didn't walk up with that "how you doin'?" (uh)
(When he came in the room)
He said there's a lot of girls I can do with (uh)
(But I can't without you)

I'm doin' forever in a minute (hey)
(That summer night in June)
And papa says he got malo in him (uh)
He got me feelin' like
Ooh-ooh-ooh, I knew it when I met him
I loved him when I left him
Got me feelin' like
Ooh-ooh-ooh, and then I had to tell him
I had to go, oh na-na-na-na-na
Havana, ooh na-na (ay, ay)
Half of my heart is in Havana, ooh-na-na (ay, ay)
He took...

“Purple Rain” by Prince

I never meant to cause you any sorrow
I never meant to cause you any pain
I only wanted to one time to see you
laughing
I only wanted to see you
Laughing in the purple rain
Purple rain, purple rain
Purple rain, purple rain
Purple rain, purple rain
I only wanted to see you
Bathing in the purple rain
I never wanted to be your weekend lover
I only wanted to be some kind of friend

I never meant to cause you any sorrow
I never meant to cause you any pain
I only wanted to one time to see you

Baby, I could never steal you from another
It's such a shame our friendship had to end
Purple rain, purple rain
Purple rain, purple rain
Purple rain, purple rain
I only wanted to see you
Underneath the purple rain
Honey, I know, I know
I know times are changing
It's time we all reach out
For something new, that means you too
You say...

“Beautiful Day” by U2

You're out of luck
And the reason that you had to care
The traffic is stuck
And you're not moving anywhere
You thought you'd found a friend
To take you out of this place
Someone you could lend a hand
In return for grace
It's a beautiful day

The heart is a bloom
Shoots up through the stony ground
There's no room
No space to rent in this town

Sky falls, you feel like
It's a beautiful day
Don't let it get away
You're on the road
But you've got no destination
You're in the mud
In the maze of her imagination
You're lovin' this town
Even if that doesn't ring true
You've been all over
And it's been all over you
It's a beautiful day...
